

Why Not?

A great question about reverse mortgages is “Why?” An even better question is “Why Not?” Like many great ideas, a reverse mortgage is an idea that starts with Why, and, after getting the facts, often ends with Why Not?

The Benefits of Reverse Mortgages

Optional monthly mortgage payments -- gain tax-free cash by eliminating your mortgage! Payoff your credit cards and monthly debts -- gain financial freedom and comfort! Remember, a reverse mortgage “is just a loan.” Simple as that.

The Safeguards

Reverse mortgages work just like a traditional loans - you retain 100% ownership and it's your home, your deed, your equity. We are just a lender. It's just a loan – but with extra safeguards. It's FHA Insured, HUD regulated, and educational counseling is required, to remind you to make the property taxes and insurance and HOA payments on time (just like a traditional loan). It's safe and secure. Simple as that.
